## Conspicuous Cliff

Appreciate the powerful beauty of the southern coastline from the lookout over Conspicuous Cliff. There is a pristine beach, limestone cliffs and granite headlands. Follow the boardwalk down to the beach and walk in the salty, invigorating wind and listen to the deafening sound of crashing waves.

### Must see

This is one of only a few places around Walpole that offers two-wheel-drive access to the coast. Enjoy spectacular coastal views from the lookouts. During winter and spring you might be lucky enough to see whales from the whale-watching lookouts high above the beach. Take your time and appreciate the fabulous coastal heathland featuring swamp paperbark and the red flowering gum.

### Getting there

From Walpole: drive 13km east on the South Coast Highway. Turn right at Conspicuous Beach Road and drive south for about 7km to Conspicuous Beach.

### Travelling time

From Walpole: 20 minutes by car.  
From the Valley of the Giants Tree Top Walk: 15 minutes by car.

### What to do

Conspicuous Cliff is a great place for salmon fishing, surfing, whale watching and wildflowers.

It has a toilet, a picnic shelter, a boardwalk and stairs down to the beach. The two attractive lookouts offer magnificent vistas and are a good place to watch the whales that cavort in the ocean in this area during winter and spring. Seabirds and other marine life are found here all year round.

Rock fishing is hazardous here so be careful of freak waves. Be aware, the beach has rips at all times so swimming is not advised.

### Fees

No fees apply at Conspicuous Cliff.
