

ANCIENT EMPIRE TEMPORARILY CLOSED

We're upgrading the Ancient Empire to make it more accessible than ever.

To carry out the upgrade and to ensure your safety, we have to close the Ancient Empire temporarily.

The upgrade will provide 300m of new trail so you'll be able to see more of the tingle forest than ever before.

Over 500m of the Ancient Empire trail will be totally accessible for wheelchairs and prams.

No standing trees are being removed but some fallen logs will need to be cut or shifted.

The Tree Top Walk and gift shop are open.
